## OUR MAUI LETTER

The Kahikinui Ranch is  
Reported Sold.

The Barkentine Gleaner Loses Her  
Foremast While on the Equa-  
tor—Other Happenings.

MAUI, Sept. 9, 1898.—It is reported  
that Gear, Lansing & Co. of Honolulu  
have recently purchased Kahikinui  
ranch of A. Enos & Co. of Wailuku,  
for \$100,000. This deal includes sev-  
eral thousand acres in fee simple be-  
tween Kanaio and Kahikinui, the lease  
from the Government for the Kahiki-  
nui lands (several thousand acres  
more) and 4000 head of cattle. The  
last mentioned were sold at \$12 a head,  
making a total of \$48,000, for the cattle  
alone. It is stated that the Govern-  
ment receives about \$3000 annual  
rental for their lands and that the lease  
has only one year more to run. Maui  
kamaainas think favorably of the  
transaction, for Kahikinui is famous  
for raising the fattest cattle on the  
Islands, and A. Enos & Co. have made  
a large fortune since they first leased  
the Government lands. Not only that  
but the price of beef is constantly ris-  
ing on Maui and will continue to do  
so for some time inasmuch as the other  
Island ranches have but few cattle  
ready for market.

The barkentine Gleaner which left  
Kahului on the 7th, when crossing the  
equator on her way to Maui from  
Iquique, Chili, broke her fore-mast and  
was obliged to continue her voyage  
with a jury-mast. At the time of the  
accident she was in the doldrums and  
the rolling during the calm snapped  
the mast. She sailed to Gray's Harbor  
with the same jury mast.

On the 18th, the native residents of  
upper Makawao will come together and  
clean out the mud, gravel and other  
debris from Alelele water-hole. Hun-  
dreds of cattle and horses are driven  
daily to the pool which for many years  
has been a public convenience.

Laurie Crook is managing Ulupala-  
kua ranch pending the settlement of  
the Dowsett estate.

Thos. G. Forsyth, ex-postmaster of  
Lahaina, has secured the light wine  
and beer license for Kula. He will  
keep shop at Pulehuiki.

The September meeting of the Maku-  
wao Literary Society will take place  
on the evening of the 14th at the res-  
idence of F. W. Hardy, Makawao. It  
is to be noted that the society have  
permanently changed the evening for  
assembling from Friday to Thursday.

entine Gleaner, Sprague master, for

BICYCLES VS. CARS.

Don't pay 10-cent car fares; it is  
much cheaper to ride a Sterling Bi-  
cycle. The average person rides four  
times daily; at 10 cents a ride this  
amounts in a week to \$2.40, or \$12 per  
month. The Pacific Cycle & Mfg. Co.,  
on Fort street, will sell you the high-  
est-grade Sterling Bicycle ever man-  
ufactured for \$60, on small weekly or  
monthly installments.

After you have once experienced the  
pleasure and advantages of cycling,  
you will not want to ride on tramcars  
at even 3-cent fare.

The rocky road to Dublin, or any  
other place will not annoy you when  
you are equipped with a built-like-a-  
watch Sterling Bicycle. They will  
stand more rough usage, while looking  
graceful and riding easy, of any wheel  
made. Their construction is perfect,  
and they are light, strong and speedy  
and built like a watch.

Down under the highly polished  
enamel and glittering nickel is the  
real bicycle; the thing you're paying  
your good money for, and on the  
strength of which may depend your  
life. Are you going to buy a bicycle of  
known reputation—a kind that has  
never been known to "fall down"—  
under any ordinary accident or will you  
take your life in your hands and ride  
recklessly to no one knows what, on a  
wheel that is without a reputation, just  
because its first cost is a few dollars  
less?

ADMIRAL SAMPSON.

WASHINGTON, Sept. 1.—At the con-  
clusion of the Dewey celebration at  
New York Admiral Sampson will be re-  
lieved of the command of the North  
Atlantic squadron. This action is to  
be taken at the request of the admiral,  
who has already had much more than  
his portion of sea service in his grade.  
After a short leave of absence he will  
be assigned to shore duty, probably in  
command of one of the navy yards.

THROUGH MILES OF ICE.

ST. PETERSBURG, Aug. 30.—The  
ice-breaking steamer Ermak has just  
finished a fortnight's trip to the north-  
west of Spitzbergen. She went through  
200 miles of ice, the estimated thick-

ness of which was fourteen feet, with-  
out the slightest interruption.

GREAT BILLIARDIST DEAD.

PROGRESSO, Mex., Aug. 30.—Frank  
Ives, the famous American billiardist,  
who came here several days ago in  
search of relief from consumption, died  
today. His body will be taken to Chi-  
cago for burial.

VIPERS FOR A BISHOP.

ROME, August 30.—Bishop Ricordi  
of Nardo today received a package of  
dried fruits. Suspecting treachery he  
turned it over to the police. When the  
package was opened eight deadly vipers  
crawled out.

TO MURDER A PRESIDENT.

VALPARAISO, August 31.—A man  
was surprised today in the act of plac-  
ing a bomb filled with 800 grams of  
dynamite under the President's private  
apartments. The bomb did not ex-  
plode.

A WORD TO MOTHERS.

Mothers of children affected with  
croup or a severe cold need not hesi-  
tate to administer Chamberlain's  
Cough Remedy. It contains no opiate  
nor narcotic in any form and may be  
given as confidently to the babe as to  
an adult. The great success that has  
attended its use in the treatment of  
colds and croup has won for it the ap-  
proval and praise it has received  
throughout the United States and in  
many foreign lands. For sale by all  
dealers. Benson, Smith & Co., Ltd.,
